Dear Dave,

Thanks so much for your letter inviting me to speak to the student body at Principia College. Although I plan to be in Illinois in November, my schedule will be very tight and unfortunately is already full. Thus I must decline your kind invitation -- at least for the time being.

I do enjoy the stimulation of talks with student and academic groups, however, and I will keep your invitation in mind should I have cause to travel your way again this year or next. In the meantime, Pat joins me in sending our best to you and Helen.

Yours,

STANSFIELD TURNER
